When do you need a response? It is principal threat waste based on toxicity. So I am trying to look for some documents related to the toxicity of dioxin.

Any comments on the attachment from the email I forwarded yesterday?

Yes, I reviewed it with my section chief who wanted the risk assessors to weigh in. It is with them right now.

Thus far, if they agree, we will be summarizing our position with the agreed language and responding back to you and Robin.

Steve,
Welcome to being the FYR coordinator for the Remedial Branch!
I will be sending you info w/r to FYRs and dioxin.

And, while I am thinking about it, did you receive the write-up on principal threats at Arkwood that I sent you on Thursday?
Marlene
